We would like to make our church family aware of several important projects and ministries currently underway within our church home. Our beautiful stained glass windows, which have been such a meaningful part of our sanctuary for many years, are now reaching the point where repairs are becoming urgently needed. A special fund has been established to help prepare for these restorations, as the cost of preserving and protecting the windows will be significant. In addition, many of our exterior doors are in serious need of repair and replacement. As these updates are made, the doors must also be brought up to current code requirements, adding to the overall expense of the project.

We have also been truly blessed over the past several years to maintain and share our Scholarship Fund, which continues to help support and encourage those pursuing their education and future goals. We are grateful for the opportunity to continue this ministry of giving and encouragement.

We have also been blessed with donations to supply our Food Pantry as a ministry to support families with limited income.

Please keep each of these needs and projects in your thoughts and prayers. As you feel led in your heart, we would greatly appreciate any extra support you may be able to give toward these special funds and ongoing ministries. At the same time, we kindly ask that this not take away from our regular church budget and general giving, as those funds remain essential for the daily ministry, operation, and continued growth of our church family.

Thank you for your faithful generosity, your prayers, and the love you continually show to our church and community. We are truly blessed by each and every one of you.
